Report of Principal and School Improvement Council

Riverview Elementary School believes in “Children First” and our school motto is “Whatever it takes”! Our highly qualified staff focuses on an instructional program which emphasizes individualized learning and active student involvement in the learning process. As a result of this goal we were recently awarded the Palmetto Gold Award for student achievement.

Traditionally the student population at Riverview Elementary School has had limited growth because of the attendance area that it serves. However, even with the recent downturn in the economy and housing industry, Fort Mill has continued to experience positive student population growth. Riverview has experienced unprecedented fluctuations in our student population numbers due to the enrollment caps that were placed on two neighboring schools in our district. Also due to the extraordinary growth at our neighboring high schools the voters of the area recently passed a bond referendum that will allow for construction of a new Riverview Elementary School that is scheduled to open in 2014-2015. This will allow Fort Mill High School to expand into the current elementary school setting. The “New” Riverview Elementary School, located off of Spratt St. (US Business 21), is scheduled to open in January of 2015. The staff and students are excited about a Christmas move into their new building.

Riverview Elementary School is fully accredited with the Southern Association of Colleges and Schools (SACS) and maintains an “all clear” status with the South Carolina Department of Education. We have been selected, by the State Department of Education, as one of four demonstration sites for our Response to Intervention (RtI) program and we work in partnership with Winthrop University in neighboring Rock Hill, SC.

Recently our school staff parents and community members worked together to reassess our safety plan. This was done cooperatively to assure that we are prepared for any crisis situation while ensuring students the opportunity to continue to grow socially, behaviorally, and academically. We plan to review and adjust this plan with the mid-year move into our new building.

Our students have the opportunity for learning outside of the classroom as well. Our “WHISK” (We Help Include Special Kids) group works with students in our school who have special needs. Our student body works with the Fort Mill Care Center, the Humane society, and other care groups from the community. Our children can participate in groups that offer input for the school as well, such as the Go Green Group, the STARS (students taking a responsibility at school), the Nutrition Group, Safety Patrol, and many others.

As a result of these and other programs we are developing leaders among both our staff and our students. Riverview Elementary believes that all children can learn with the input and support of all stakeholders. Our focus is on individualized instruction which actively engages all students. These types of learning experiences will give students the foundation needed for success.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	93.4
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Riverview Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
